Subject: Upcoming IB: False Creek South Lands Engagement

Dear Mayor and Council,

To follow up on the email Karen Levitt sent you on January 27, we will be issuing an information bulletin **today**, to announce the launch of the month-long public engagement period on the future of the False Creek South lands. The engagement will be hosted here online at ShapeYourCity.ca/FCSLands where the public will find fact sheets, a video and other information, as well as the link to a Talk Vancouver survey and to book a spot at one of the information sessions. We'll also be promoting the engagement on social media and with a postcard mailing to residents and businesses in the False Creek South area.

Best,
Paul
