Subject: Upcoming NR: Reaching Home funding

Dear Mayor and Council,

As you are aware, last month, the City received \$4.9 million of federal funding through the Reaching Home initiative to help support our most marginalized residents. The funding will be used to install two new washroom trailers, extend washroom hours at several City facilities and completing renovations at a new 60-bed shelter. The first new washroom is due to be installed next week at 1115 Hornby St next to the Murray Hotel and will be managed by Atira Property Management Inc. Staff are in the process of notifying the local community near the site, before issuing a news release about the work on Tuesday afternoon.

Best,
Paul
