Subject: Upcoming IB: 10th Ave Street Work

Dear Mayor and Council,

Starting Tuesday February 16, construction will begin on 10th Ave between Willow St and Ash St as part of phase 2 street safety improvements to the Hospital Zone. We're working closely with Vancouver General Hospital, Vancouver Coastal Health, BC Cancer, and health care facilities in the area to ensure access to critical health services is maintained and that patients, employees and visitors are advised of the impacts so they can plan ahead. We will be issuing a media release **on Wednesday** as part of our notification strategy. Throughout the project we will also be reminding the public of work in the area through targeted social media in partnership with our stakeholders and traffic advisories. Construction will take place in phases until later this summer.

Best,
Paul

Paul Mochrie (he/him)
Acting City Manager
City of Vancouver
