---

Dear Mayor and Council,

An update on the 2021 Temporary Expedited Patio Program was provided through a memo on February 11th. The City will be issuing a news release tomorrow to signal that applications for spring/summer patio permits on public property will launch March 1. The news release reiterates the City's commitment to support businesses safely welcome customers while maintaining physical distancing. More information on the 2021 TEPP program will be published alongside the news release at [vancouver.ca/temporarypatio](https://vancouver.ca/temporarypatio).

Additionally, we are preparing for your information a response to recent questions regarding establishments that had constructed overhead structures outside the scope of permissible installations under this program.

Thank you,  
Paul
