Subject: Upcoming IB: Temporary Patio Applications Now Open

Dear Mayor and Council,

As of today, the City will be accepting online applications for temporary patios on public property. The City is issuing an information bulletin to media and sending emails to businesses letting them know applications are now open. These communications reiterate that City staff will be working with businesses to ensure that temporary patios do not:

- Restrict accessibility or reduce space for physical distancing on the sidewalk.
- Encroach too far onto the street, which may negatively impact other road users or interrupt City street cleaning, utility or construction work.
- Reduce the open-air aspect of the patio with additional structures or enclosures (COVID-19 transmission concern).
- Block access to critical utilities such as fire department connections.

Best,
Paul
