Subject: Upcoming NR: Vernon Drive Temporary Modular Homes

Dear Mayor and Council,

Today, the Director of Planning approved the development permit for the two new temporary modular housing buildings at 1580 Vernon Drive. The approval of this project means that by this summer we will have created more than 750 new temporary modular homes in partnership with BC Housing. The new temporary buildings at Vernon Drive are part of the MOU the City signed with the Province in September, committing to take collective action to address homelessness by building 450 new homes that will help us create safe and inclusive communities for all. The news release will be distributed tomorrow morning.

Best,
Paul
