Subject: Upcoming IB: East Robson Street Upgrades

Dear Mayor and Council,

I am writing to inform you that the City will be issuing an information bulletin **later today** (Monday, March 22), regarding East Robson Street Upgrades. This construction project will be taking place along Robson St. from Granville St. to Beatty St. until later this fall and includes water, electrical and street infrastructure upgrades.

During construction, residents can expect some traffic and parking impacts as well as intermittent road closures, however, access to businesses and the VPL Central Branch will be maintained at all times. The project team has worked closely with local BIAs to ensure businesses are supported throughout the project.

Best,
Paul
