Subject: Upcoming IB - Phone-In Option for Public Meetings

Dear Mayor and Council,

To further support the City's ongoing business and allow for continued public involvement while respecting physical distancing, we are going to be piloting a new phone-in option for public meetings that will be rolled out over the coming weeks. An information bulletin will be issued this afternoon announcing the pilot, as well as summarizing the various ways residents can get involved in City business and Council proceedings. We are also making updates to our website to make this information more visible and clear for the public.

Best,
Sadhu
