Subject: COVID19 Impact and Response Dashboard

Greetings Mayor and Council,

After a soft launch of the [COVID-19 Impact and Response Dashboards](#) last week, the dashboards are now fully operational and updated daily (Monday – Friday).

We will continue to add functionality and will bring additional metrics – Operational Impacts and Critical Supplies – as needed and based on feedback. I also want to highlight that we will be making a subset of these metrics available to the public through a public facing dashboard in the next week.

I'd appreciate your input on the dashboard and how we can make it more useful.

Best,
Sadhu
