Subject: Upcoming IB - West End Parking Enforcement

Dear Mayor and Council,

We are taking additional measures to support the City and Park Board's efforts to reduce crowding and congregating on Stanley Park beaches and the seawall. This afternoon, we are resuming enforcement of permit-parking zones in the West End, which will make it harder for non-locals to find parking in the West End. We will be issuing an info bulletin this morning. Just like the lane closures on Beach Avenue, these measures are particularly important as we head into a four-day weekend with warm temperatures.

Best,
Sadhu
