Subject: PM daily update - April 20, 2020

Good morning,

This morning's PM update focused on yesterday's Nova Scotia shooting.

- At least 18 people killed in Nova Scotia yesterday
- Gratitude for first responders, risking your own lives to save others
- PM asking media to not mention the name/photo of the shooter, do not give him the gift of infamy
- Virtual vigil on Friday to remember the victims
- Re Parliament sitting: do not want to get into that now but am confident that today we'll be able to agree on an approach to continue parliamentary business in a responsible way

Best,
Sadhu
