---

Dear Mayor and Council,

I am writing to inform you that the City will be issuing a news release on April 30 alerting the public to the annual water restrictions going into effect May 1.

A few key points include:

- Stage 1 water restrictions are in effect May 1 to October 15 allowing lawn watering two days per week.
- Lawn watering regulations are set by Metro Vancouver.
- Watering outside of permitted times is a by-law offence and could result in a \$250 fine.
- Newspaper ads have been placed in advance of the restrictions and a social media campaign has been launched to increase awareness of the annual water regulations.

Best,  
Paul
