Subject: PM Daily Update - May 7, 2020

Good morning Mayor and Council,

Please see the PM's daily update below:

- 1200 Canadian Rangers have been deployed to help with the fight against COVID-19. By next week, 1350 military personnel expected to be in action, helping particularly at long-term care facilities
- ***New*** PM announces agreement in principle with all provinces & territories for essential worker pay top up (details are being finalized). Provinces will determine who is essential/who gets top up. Total cost of program is \$4 billion, \$3B will come from Ottawa and the rest will be covered by provinces.
 - If you are risking your health to keep this country moving and you're still making minimum wage, you deserve a raise.☺

Best,
Sadhu
