**Subject:** Council report - Alcohol Consumption in Public Plazas

---

Dear Mayor and Council

I am writing to let you know about a change to the appendix of the above mentioned report that will be before Council tomorrow, May 18.

The report recommends four locations for the 2021 pilot which are defined in the appendix. Today we received some additional feedback from emergency services about the Maple and 4th avenue pop up plaza location that will require additional review. As a result we are not recommending including this location in the pilot at this time. We may bring the location forward for council consideration once we have had the opportunity to review and address this new information.

A memo will be submitted to Council tomorrow morning in order to formalize this change to the appendix; I wanted to make sure you had this new information in the meantime.

If you require any additional information regarding this matter, please contact Lon LaClaire ([Lon.LaClaire@vancouver.ca](mailto:Lon.LaClaire@vancouver.ca))

Best,  
Paul
