Subject: Day of Action Against Racism

Good Evening Mayor and Council,

In partnership with the Province, VPD and the Lieutenant Governor's Office, the City is proclaiming Friday, May 29 'Day of Action Against Racism'. The day is intended to address the upsetting increase in racism we have recently seen in our city and encourage people to join us in sharing the message that racism is not tolerated in Vancouver. We will be issuing a news release on Wednesday outlining the campaign which includes videos by ourselves, the Premier and the Lieutenant Governor, downloadable posters and social media resources that we will encourage residents to share, and a proclamation by the Mayor.

Best
