Subject: Special Council Meeting tomorrow at 6 PM - Wed, May 27

Greetings Mayor and Council,

The Mayor has called a Special Council Meeting tomorrow - May 27, 2020 at 6 PM. The purpose of the meeting will be to consider 2 urgent reports recommending new licensing requirements for Temporary Patios, as part of our COVID-19 response to support local business and community. This flows from Council debate and decision at our meeting of May 12/13, as well as comments from the public.

This meeting will not be open to speakers, as Council has already debated the item extensively, and the reports will just bring Council's direction into actualization. We will be distributing the council reports for these items shortly.

Thanks for your understanding as we address these challenges.

Best,
Sadhu
