Subject: Flags at half-mast

Good morning Mayor and Council,

I am writing to confirm that the flag at City Hall has now been lowered to half mast and staff will be doing the same with flags at other City and Park Board facilities. Thank-you again for your messages on this matter.

The following message will be posted on the City's social media channels:

In memory of the children whose remains were confirmed to be on the site of the former Kamloops Indian Residential School, flags at @CityofVancouver civic buildings will be flown at half-mast for 215 hours, one hour to represent each life lost.

Best,
Paul
