Subject: Protests over the weekend

Greetings Mayor and Council

I have received a number of emails from Councillors regarding the protests this weekend and VPD protocols for handling them. City Staff were in touch with VPD before, during and after the protests, as we generally are with the larger events like this, but VPD does handle them. I have forwarded your emails to the police chief and have asked that the VPD prepare a memo to council with information to answer your questions.

Best

Sadhu
