Greetings Mayor and Council,

Today, Monday June 1, the City will be launching the Temporary Expedited Patio program and making restaurants and liquor-serving establishments aware of the online application for a temporary small, large or curbside patio permit via Vancouver.ca. Those who meet the mandatory requirements can expect to receive their permit within two business days of submitting their completed application. The City will be announcing that the application is available on Vancouver.ca via this news release, social media and direct email to businesses.

Best,
