Subject: Protest update

Good afternoon Mayor and Council,

As you may be aware, there is an anti-racism protest currently under way at Jack Poole plaza. VPD are anticipating several thousand attendees and has assessed the potential for property damage or violence as low. VPD have deployed resources so as to ensure people are safe but avoid inciting or escalating any conflict.

There may be additional demonstrations at the VAG or other locations over the weekend.

We are also aware of an unrelated protest against 5G technology that is planned for Sunday adjacent to the Coal Harbour Community Centre. VPD and City Protective Services are monitoring that event as well but are not anticipating any issues.

Best,
Paul
