Dear Mayor and Council,

Here is a summary of the Prime Minister's update for today – June 16, 2020:

- The Canada-U.S. border will remain closed to non-essential travel for at least another 30 days to slow the spread of the novel coronavirus as confirmed cases in the United States continue to climb past the two million mark.
 - The deal was set to expire on Sunday but will now extend until July 21.
- The Canada emergency response benefit (CERB) will be extended by two more months.

Best,
Sadhu
