Subject: [Upcoming IB: Skeena Terrace large site redevelopment engagement \(June 21, 2021\)](#)

Dear Mayor and Council,

I am writing to inform you that the City will be issuing an information bulletin on Monday, June 21 regarding the start of public engagement for the future development of Skeena Terrace, a 10.8 acre site located at 2298 Cassiar Street in the Hastings Sunrise area. This follows early engagement BC Housing undertook with Skeena Terrace residents in April and May that informs this next phase of public feedback.

Skeena Terrace is one of Vancouver's original social housing sites with 600 existing tenants. The residential buildings require regular, ongoing repairs and BC Housing approached the City to explore how Skeena Terrace could be redeveloped.

To best meet the needs of current and future tenants and the wider community, the City will be seeking public feedback to help develop a future vision for the property.

Best,
Paul
