Subject: [Upcoming NR: Opening of Fraserview childcare centre \(June 28, 2021\)](#)

Dear Mayor and Council,

I am writing to inform you that on June 28, the City will be issuing a news release announcing that the new Fraserview childcare facility is set to open this week. It will provide families in South Vancouver with 69 spaces for children ranging from infant to preschool age.

The new centre is located on the rooftop of the seismically replaced Sir Sandford Fleming Elementary School. Childcare areas include more than 8,000 square feet of dedicated indoor space and 8,000 square feet of dedicated outdoor program areas. Four licensed programs offer full day care to infants, toddlers, and children ages 3-5, as well as part-day preschool. Outdoor childcare areas will provide physical activity and gardening opportunities for children to play and learn in nature.

Development of the Fraserview Childcare Centre was funded through City-wide Development Cost Levies (DCLs) for childcare and \$500,000 from the Province of BC.

Best,
Paul
