**Subject:** FW: new shelter??

Hi Mayor and Council:

I am responding to a Councillor question regarding a new shelter and thought I'd send the answer to all of you. Staff are still actively looking for space to support additional shelter capacity, including a Navigation Centre. We have set aside funds from EHT to lease these spaces and support the tenant improvement work and BC Housing brings the operating dollars. The space sourcing continues to be the challenge, but I can assure you staff are actively working on this.

Best  
Sadhu

Sadhu, I think I remember a briefing where Celine was talking about the city opening up a new shelter that would be large, and allow people to bring their pets, partners, and some stuff. Is this happening???

Thanks.
