Subject: Fire - 100 Block E Hastings

Mayor and Council,

VFRS is currently attending to a major fire in a 2 storey non-residential building on the north side of Hastings, 100 block east. The impacted structure is fully involved and VFRS is working to stop the fire from spreading to the adjacent SRO (Maple Hotel).

The Maple is being evacuated. We are activating Emergency Social Services to support impacted residents.

We will advise of further significant developments.

Best,
Paul
