Subject: CANTF-1 deployment to Kelowna

Hello Mayor and Council,

I am writing to advise that Emergency Management BC has requested that our Heavy Urban Search and Rescue Team (CANTF-1) deploy to Kelowna to support the response to the crane/structure collapse. We are deploying 16 members, including two from Engineering, two from VPD, VFRS staff, Abbotsford cadaver dog/handler and a structural engineer. All costs for the deployment will be covered by the Province.

The team will be departing for Kelowna shortly.

If you have any questions, please let me or Chief Fry know.

Best,
Paul
