Mayor and Council,

Emergency services are presently on scene at a serious incident that occurred shortly after 1pm at the above address. An excavator that was operating on the parking structure on top of the structure fell through the roof into the building below. VFRS has rescued 8 individuals from the collapsed structure; one person was transported to hospital. At present, there is one additional building occupant who is not accounted for.

Emergency Management BC has approved deployment of CAN-TF1 Heavy Urban SAR team, including structural engineers and canine search.

We will keep you apprised of any further developments.

Best,
Paul
