**Subject:** Update on Broadway Subway Project

Dear Mayor and Council,

In June 2019, the Province selected three pre-qualified bidding teams to participate in the Request for Proposals (RFP) stage for the Broadway Subway Project. Following this competitive procurement process, a preferred proponent team has been chosen to design, build and partially finance the Broadway Subway Project (BSP) in Vancouver.

The preferred proponent team is the **Acciona-Ghella Joint Venture** composed of Acciona Infrastructure Canada, Ghella Canada, IBI Group, Dialog, Mott MacDonald, Ingeneria Especializada Obra Civil e Industrial and Parsons. The Province has selected this proponent team to enter into final contract negotiations for the BSP. They anticipate a final contract will be signed later this summer with construction beginning this fall. Further details on construction methods and plans and station design will be available following execution of the contract. More details on this announcement can be found on the Province's information bulleting on [the BSP webpage](#).
