Good evening Mayor and Council,

For your information, Province has requested that VFRS provide an engine and crew to support the fight against the White Rock Lake Fire in the Okanagan. This fire is one of the most aggressive currently in British Columbia.

The expenses for this deployment will be submitted for reimbursement by Emergency Management BC and our engine will be transported by trailer to the Okanagan.

Our crew will be departing tomorrow morning and will be relieved as necessary after one week.

Chief Fry confirms that VFRS' coverage will not be impacted by this deployment.

Best,
Paul
