Mayor and Council,

VFRS Fireboat 2 is currently in dry dock in North Vancouver being painted. Earlier this evening, there was a fire in the facility that resulted in damage to the exterior of the vessel.

Senior VFRS leaders and investigators are on scene along with DNV fire investigators. At this time, we do not have details regarding the cause of the fire or the extent of damage to the boat.

We will keep you apprised as we learn more.

Best,
Paul
