Subject: Upcoming IB: City survey seeks feedback on COVID road use changes

Dear Mayor and Council,

The City of Vancouver is seeking public feedback on the temporary road reallocation measures that were implemented in response to the COVID-19 pandemic (e.g. slow streets, temporary patios , pop-up plazas). The survey will be live EOD today and run until Sept. 6, 2020. We will be notifying the public about the survey through a media bulletin and via City social media channels starting tomorrow. To take the survey, or for more information, visit vancouver.ca/makingstreetsforpeople

Best,
Sadhu
