Subject: Upcoming Council Workshops - 2021 Budget

Dear Mayor and Council,

As we prepare for the 2021 budget we will be coordinating a series of working sessions for Councillors to meet with GMs of service delivery departments in a small group virtual setting. Staff will present a brief overview of the 2020 financial picture and provide an update on the financial impacts of COVID-19 pandemic on departments. The briefings will include a short structured presentation followed by a time reserved for discussion. The small group setting will allow for more individualized time to ask questions and a dialogue on challenges and opportunities as we plan for 2021.

City Clerk's staff will be reaching out to the Mayor's Office and Councillor's assistants to arrange the sessions in early September.

Please do not hesitate to contact me with any questions or concerns.

Best,
Sadhu
