Good afternoon Mayor and Council,

A large group of anti-vaccination protestors is presently gathered at the intersection of 12th and Cambie. VPD estimates the crowd at 5000 people.

The protest is peaceful and there has been no impact on City Hall or our operations to this point. Traffic is completely blocked on both 12th Avenue and Cambie. VPD has a large contingent of members on scene and our Corporate Protective Services team is in contact with the organizers. We do not expect the crowd to disperse in the near term.

We will keep you apprised of any developments. If you have any questions, please let me know.

Thanks,
Paul
