Good morning Mayor and Council,

We are continuing to proactively release to the public non-confidential/non-privileged email and memo's sent to Mayor and Council from Karen and myself. Each package of communication undergoes a multi-tiered internal review process prior to release approval. Communications covering January to April 2021 will be posted on the City's public website this morning with the remaining Q2 communications (May and June 2021) posted within the coming weeks.

Communications from 2016 are presently available on the City's public website. Here is a link for your convenience <http://review.vancouver.ca/your-government/city-managers-emails-and-memos-to-mayor-and-council.aspx>
