Mayor and Council,

By way of an update, the crowd is considerably smaller than the protest that occurred at City Hall last week. The current estimate is 300 participants.

The protestors have blocked Cambie St between 12th and 10th Avenues, but traffic is moving east/westbound along 12th Ave.

Best,
Paul

Subject: Anti-vaccination protest - City Hall

Good morning Mayor and Council,

As you may be aware, we are expecting another protest at City Hall this afternoon in conjunction with similar protests across the country. Corporate Protective Services will be controlling access to the building and VPD will have members on site to monitor the event and ensure everyone is safe. The organizers have indicated that they do not intend to cause any disruption for health care services.

If you have any questions or concerns, please let me know.

Best,
Paul
