Subject: Final Opportunity: Vernon Dr. TMH tour

Dear Mayor and Council,

As some of you were unable to attend the tour on Tuesday, we are able to offer a final tour of building 2 of the new temporary modular supportive housing buildings at 1580 Vernon Dr., led by Community Builders Group, the non-profit operator. Together, the buildings will provide 98 warm, safe homes with private kitchens and bathrooms for people experiencing homelessness in Vancouver. These new homes are made possible thanks to a partnership between the Province, the City of Vancouver and Community Builders Group.

Apologies for the late notice, the second building has just been confirmed as ready by the inspectors to allow for a tour.

Date: Friday, September 10 at 4:00 pm (30 minutes in length)

Location: 1580, 1582 Vernon Drive (meet outside buildings). Please note tenants have begun to move into building one so please be mindful of privacy.

As per Provincial orders, masks will be required to tour the building.

Kindly RSVP to sally.green@vancouver.ca if you plan to attend.

Best,
Paul
