Subject: Upcoming NR - Platforms 2020

Dear Mayor and Council,

This week, six new artworks focused on pressing issues such as the COVID-19 pandemic, Black Lives Matter and the overdose crisis will be displayed across the city. The artworks presented this month were selected as part of the *City's Platforms 2020: Public Works* which will run until the year's end, and continue to push the City's *Culture|Shift* plan forward. In total, this program will bring thirty-three new projects to the public realm. We'll be issuing a news release to let the public know about this program. Best,
Sadhu
