Subject: Upcoming NR - Anti-Black Racism Town Hall

Dear Mayor and Council,

On Thursday, September 24 from 6-8pm the City will be hosting an anti-Black racism virtual town hall with the Black and African diaspora communities. The event will be hosted by myself and Sandra Singh, facilitated by Vanessa Richards who is a community activist, and several other members of CLT will be in attendance. At the town hall, we will respond to the comprehensive recommendations we have received from the Black and African diaspora communities, update on the actions that are being taken, and listen as the communities contribute their priorities, concerns, and aspirations for the next steps that the City needs to take.

Space within the virtual town hall is being reserved for members of the Black and African diaspora communities but if you would like to watch the town hall it will be live streamed on [YouTube](#).

Best,
Sadhu
