Subject: [Special Council Meeting - Sept 28 - logistics](#)

Good afternoon Mayor and Council,

The purpose of the Special Council meeting on September 28 is for the [Vancouver Plan Workshop](#) to provide Council an opportunity to hear from relevant experts in an informal, workshop format. A reminder that no decision of Council is required and no public speakers will be heard at this meeting. The workshop will be recorded and livestreamed for the public and robust public engagement is forthcoming.

In respect of the panelists time and to keep within the time set out for the evening (6-9pm), following all panelists' presentations there will be only *one-round* of (5-minute) questions for Council members. To best utilize this time, it is suggested,

- to prioritize top one or two questions;
- be clear in the question; and
- be sure to direct the question to a specific panelist.

Any questions for CoV staff can be emailed after the workshop to Theresa.ODonnell@vancouver.ca.

The roundtable at the end of the workshop will not include additional opportunities for questions from council; however, the roundtable will aim to further address themes heard during Council's question period.

Best,
Paul
