Dear Mayor and Council,

Please see the staff responses below in regards to Councillor Dominato's request regarding surveys on the Public Life Recovery work (including patios, pop-ups and road re-allocations):

- The **Making Streets for People** survey was distributed through the *Shape Your City* webpage (Aug 19-Sep 6) and received 3322 responses.
- We will be reporting out on the survey results in our **Oct 7th presentation to Council, 'Making Streets For People'**.
- At a high level, the survey shows that public support for all of the Public Life Recovery initiatives is around 90%;
- We are running additional, smaller surveys and on-site monitoring to further assess individual public life recovery and road-reallocation initiatives, and collect feedback from specific stakeholders (such as local businesses and partners).
- Although this engagement and monitoring work is ongoing, we will include early feedback in the Oct 7th presentation. Full summaries will be completed later this fall.

Best,
Sadhu

Good morning Sadhu,

I'm wondering when we'll get a roll up of the survey results related to the various covid response measures related to patios, pop-up plazas, street re-allocation efforts etc.

Thanks.
