Subject: BC ShakeOut on Oct 15, 2020

Dear Mayor and Council,

This year's B.C. ShakeOut will take place at 10:15 am on Thursday, October 15. The province-wide earthquake drill is a reminder to the public that we live in a seismically active region, and an opportunity to practice responding to an emergency.

The City is supporting the annual campaign with social media posts on Facebook, Instagram and Twitter encouraging the public to **drop, cover and hold on** during the drill. Please feel free to share these social posts with your networks if you would like to do so.

How you can prepare

- There are many things you can do to prepare for an earthquake. Participating in ShakeOut is one of them!
- [Make a plan](#) and review it with your family so everyone knows ahead of time where to meet and how to contact one another.
- Make sure you make an [emergency kit](#) for home and for work to make sure you can be self-sufficient following an earthquake for at least 72 hours
- Revise your plans and kit to adjust for any changes this year. Are you in a new work location or are family members in new locations?

Best,
Sadhu
