Subject: Public Release - City Manager's Office Emails/Memo's to Mayor and Council

Greetings Mayor and Council,

In the aim of transparency, we continue to post non-confidential emails and memos that are sent to Mayor and Council from Paul and myself. These records have been reviewed by subject matter experts as well as our Law Department to ensure they are releasable. Previously, record packages were released on a quarterly basis. However, as we are playing a bit of catch up on these releases due to our COVID response, we will now be releasing monthly record packages as soon as they become available.
