Dear Mayor and Council,

From October 28 – November 8, the Heart of the City Festival will be running in the DTES, celebrating the history and culture of the neighbourhood and its residents. The festival will include a tribute to the City's Carnegie Community Centre to mark the centre's 40th anniversary. The centre will also be providing access live streamings and recorded broadcasts of the events to ensure the community are able to take part. The City will issue a news release about this event on shortly.

Best,
Sadhu
