Subject: Upcoming NR: Community Action Team grants

Dear Mayor and Council,

The Community Action Team (CAT), a group of representatives from more than 25 organizations working to address the overdose crisis at all levels and co-chaired by the City and Vancouver Coastal Health, have selected seven local groups to receive provincial funding for projects that are responding to the overdose emergency. We are issuing a news release today to announce the awarding of the funds. The chosen projects, which range from videos about de-stigmatization of substance use to Indigenous trauma training for peer workers, will receive funding totalling almost \$105,000.

Best,
Sadhu
