Subject: Upcoming NR: Beach Ave upgrades

Dear Mayor and Council,

To further support the City's efforts to provide additional space for Vancouver residents in response to COVID-19, we are making interim upgrades to Beach Avenue to provide more room for people to safely exercise and access services in the area (based on feedback we received in a fall survey). Work on the upgrades is scheduled to begin early next week. We will be issuing a news release Thursday and notifying the public via our social media channels and letters to residents in the area.

Best,
Sadhu
