Dear Mayor and Council,

As requested by a Councillor, attached is the table with the organization funding information as part of budget discussions. Please note the City does not fund issues advocacy work. Our funding is focussed on services and operations for the community. However, there is no restriction on a community organization seeking funding from the City or other levels of government or speaking to government on issues that matter to them, we just don't fund this activity.

Should you have any questions, please contact Sandra Singh ([Sandra.Singh@vancouver.ca](mailto:Sandra.Singh@vancouver.ca)).

Best,  
Sadhu
