Subject: Upcoming IB - Recycling your Christmas tree this season

Greetings Mayor and Council,

On Wednesday the City will issue an information bulletin outlining the ways Vancouver residents can recycle their Christmas trees in January. Due to COVID-19, the City's annual tree chipping events will not be held this season; however, there are several safe and convenient tree recycling options for residents, including curbside collection, free drop-off at Transfer Station or Landfill, and regular Green Bin collection (for small pieces). We will also be promoting these options via our social media channels in early January.

Best,
Sadhu
