Subject: Raise Your Hand Against Racism campaign

Dear Mayor and Council, Park Board Commissioners and Library Trustees,

A reminder that you are invited to the Protocol Boardroom, 3rd Floor, Vancouver City Hall on Wednesday, March 9th between 9:00 am - 4:00 pm to dip your hand in water colours and make a handprint on a City of Vancouver banner in support of Spice Radio's *"Raise Your Hand Against Racism"* campaign. The completed banner will be displayed in the City Hall rotunda until International Day for the Elimination of Racial Discrimination on March 21.

Spice Radio is inviting municipalities around the Lower Mainland to join in this campaign in an effort to end racism in our community. The City of Vancouver is participating as part of its reconciliation work and as part of the annual International Day for the Elimination of Racial Discrimination on March 21.

On Saturday, March 19, Spice Radio will also invite citizens to visit designated municipal buildings around the Lower Mainland to dip their hands in water colours and add their handprint to banners as a pledge to end racism. Participating citizens will be encouraged to share pictures on social media to bring attention to the campaign. In Vancouver, the Fraserview Branch of the Vancouver Public Library, Roundhouse Community Centre and Sunset Community Centre will be participating on March 19th from NOON - 4:00 pm. You are invited to visit any one of these sites to join in on the festivities.

Regards,

Sadhu Johnston
City Manager

Sadhu A. Johnston
