Sadhu

Dear Mayor & Council and members of the Corporate Management Team,

After so much drama and hard work on this project, I am pleased to invite you to join me on a **tour of New Jubilee House**, one of the City's new social housing. Our tour will take place on **Monday, June 6 from 2:00 – 4:30 pm**. No Staff/Council briefing topics will be scheduled on this day.

New Jubilee House is currently under construction and will provide 162 much needed social housing units in Downtown Vancouver. New Jubilee House will replace the existing Jubilee House building which is in a state of significant disrepair. New Jubilee House will provide new high quality affordable housing for the tenants of the 87 units at old Jubilee House and will deliver an additional 75 units to be rented at low end of market rates.

Our tour will start at old Jubilee House (508 Helmcken) and will continue around the corner to New Jubilee House in order for you to see the impact and transformation that can result from City investment in affordable housing.

Please RSVP your attendance with Lynda Graves prior to Friday, May 20. Additional details of the visit including our meeting point will be provided closer to the tour date.

I look forward to visiting this exciting new project with you.

Best,

Sadhu Johnston
