Subject: Housing affordability protest - City Hall

Dear Mayor and Councillors,

As you may be aware, we are anticipating a protest event at City Hall today related to housing affordability. This protest was initiated by a Facebook post that called for a "sleepover" at City Hall. The event organizers have called for a noon start time.

We fully expect this protest to be peaceful and will take our usual steps in accommodating such activity. However, we have received indications that some participants may attempt to occupy City Hall. Corporate Security and VPD are monitoring the situation closely and we have implemented additional access restrictions to ensure that we are able to maintain our regular business functions in the building throughout the day.

Kathleen Llewellyn-Thomas will be attending and available to speak with the protestors, as will members of her Housing team.

Please let me or Sadhu know if you have any questions or concerns regarding this matter.

Many thanks,
Paul
